Top Recommendation: Hotel Option 3

Top Recommendation for Your Group

Based on what you specified you wanted for your adults-only group trip, my top recommendation is Hotel Option 3. I have listed the reasons for this recommendation below (I highlighted most important points):

- Value - you are getting an upscale, adults only all inclusive resort for a great price
- Flexibility - you can have singles and couples stay at this resort (it is not exclusively couples only)
- Options - you have full access to the family resort next door for additional restaurant options and activities
- Location - it is only 10-15 minutes away from the airport, plus they have their own arrival lounge in the airport where you can wait for your transportation to the hotel
- Nightlife - they have a sports bar/pub that stays open until 2:00am - some nights may have DJ/dancing
- Rooms - very classy and tastefully decorated - they do not feel outdated (vs. option 1 that may feel a little outdated)
- Food and Beverage - I have stayed at this resort, as well as other resorts in this brand, and find overall food quality above average compared to other all inclusive options
- Budget - fits within the max budget you specified
